PRINCIPAL'S PRIDE

Happy New Year! We have had a fun-filled week reviewing our PBIS expectations with a skiing theme. The students earned punches on their ski lift tags once they reviewed and demonstrated understanding of the expectations at Neff:

Bunny Hill - Yellow - School rules, ABCs of Neff, and Whole Body Listening
Beginner Hill - Green Circle - Hallways and Bathroom lessons
Intermediate Hill - Blue Square - Peace Making Process and Kindness lesson
Advanced Hill - Black Diamond - Playground and Cafeteria lessons

We would like to thank Bri Dennis and Kristy Merignac for creating our ski hill and ski lodge at the entrances of the gym and office. The staff and kids are happy you shared your talents with us, because it is a beautiful scene!

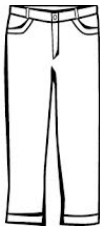
On Tuesday, January 15, the students will have a kick-off assembly for the Kids Heart Challenge of 2019. This program helps deliver heart-healthy physical activity through service learning for the American Heart Association. The Kids Heart Challenge focuses on whole body wellness by helping students improve their own health and better their character while raising life-saving donations for the American Heart Association to help kids facing heart-health issues. You will receive more information on Tuesday! Your child will be asking you to register him/her online to select one of the following challenges he/she will take for the next two week: be physically active for 60 minutes every day, choose water over sugar drinks, or do a good deed daily. We are hoping to have all children participate!

Have a wonderful weekend!

DID WE LEND YOUR CHILD CLOTHES?

If your child borrowed any clothes from the office because their clothes were soiled or wet please return them to the office after they have been laundered.

If your family would like to donate pants we would love to have girls and boys pants in sizes 6 - 10. Sweat pants or leggings are perfect for our little ones. Thank you so much!



MINI POM CAMP

Grand Ledge Varsity Pompon is hosting a mini camp for students in grades 2-11. On 2/15 and 2/16, kids will learn a pom routine and have sessions focused on pom skills like jumps, kicks and form. On 2/19, the campers will perform the routine at halftime of the boys JV and varsity basketball games! Registration fee is $50 which includes a T-shirt, poms, hair bow and dinner. Please register using this link https://goo.gl/forms/Gi7wuAkPwm8dM57o2 by January 25. A flyer with more information can be found attached to this newsletter.

Neff Families - Happy New Year! Here is your New Year activity.

Family Note

Children enjoy counting, and they find ways to practice this skill all the time. In addition to counting by 1s, children are learning to "skip count" by 10s. When your child counts by 10s, help him or her connect the counting words with the concept of making groups of 10. Counting fingers (and toes) is an excellent way to begin.

Count all of the fingers in your family.

Count by 10s. (Don't forget yourself!)

Count by 1s to double check.

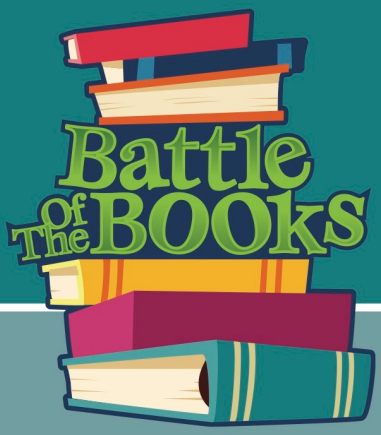
Battle of the Books



Battle of the Books Kick-Off
Tuesday, January 15 (DTDL)
Delta Township District Library
6:30 p.m.

Deadline to register
Saturday, January 26

The Delta Township District Library will be holding its 11th annual Battle of the Books this winter, partnering with the Grand Ledge Area District Library to host the events.

Battle of the Books is a fun trivia competition that tests participants' book knowledge. Teams of four to five read the five selected Battle books in January and February. Adults, teens, and kids (4th grade and up) are all welcome, and teams can be made up of participants of all ages.

Programs will take place throughout January and February, including Team Spirit Events and a Battle Book Night featuring a Skype visit with one of this year's Battle authors. Preliminary battles for all teams will take place on Thursday, February 28. Semi-finals and the final battle will both take place on Saturday, March 9.

Registration forms are available at both libraries and online at dtdl.org/battle.
Call DTDL (517-321-4014 x3) or GLADL (517-627-7014) for more information.

Musical Theatre Workshop

What is It?

Modeled after the world-famous Young Americans' workshop, this event offers students in 3rd -8th grades a chance to meet, rehearse and perform with Grand Ledge High School musical theatre students.

The students who participate in the workshop will learn fun musical pieces complete with choreography, have a chance to take part in real auditions, immerse themselves in a special workshop of their choice and hang out with the top performing artists at the high school. Also, at the conclusion of the event, students will demonstrate what they have learned and perform along with the high school directors in an amazing show for family and friends.

Special Workshops

Each student will participate in one special workshop of their choice. Options include Dance, Acting, Stage Combat, Tumbling and Vocal Technique. Please list your students first, second and third choice on their registration form. Although we do our best to accommodate your choice, due to space limitations, we cannot guarantee every student will get his or her first-choice workshop. We will fill workshop spots based on when your registration is received.

Cost to Participate: $65

The cost to participate includes high quality instruction by the high school performers throughout the two-day event, snacks both days, dinner on Saturday, a T-shirt and free admission for family and friends to the Saturday night performance! Please email with any questions you may have to clarkt@glcomets.net

School Closing Protocol

Regular attendance is important to a student's ongoing success in school and we expect that, when school is in session, students will be actively engaged in learning. However, because we live in Michigan, and our winter weather is sometimes unpredictable, Grand Ledge Public Schools has established the following guidelines for decisions related to inclement weather. You may refer to these guidelines when you have questions about possible school closings/delays.

The decision to close or delay school due to inclement weather is a very difficult and serious undertaking. Decisions to close school for any reason are made in a thoughtful and deliberative process and, specifically, these decisions are made in response to the safety of students and staff members.

If the weather predictions are severe, we attempt to announce a school closing the night before. However, more likely a school closing decision won't be made until the middle of the night - usually no later than 5:30 a.m.

Factors taken into consideration when deciding whether to close/delay schools include:

- Information from the National Weather Service (NOAA);
- Amount and type of projected precipitation;
- Local weather forecasts, including start and stop times;
- Ability to clear parking lots and sidewalks around school buildings;
- Street (highway, residential and rural roads), and bus stop conditions;
- Freezing rain and the effect on roads, power lines and tree limbs;
- Wind and wind chill; along with overall temperature;
- Bus capability to start/run due to extreme cold or unplowed streets;
- Driving conditions; are they hazardous for buses, students, staff;
- Poor visibility due to fog, or blowing snow
- Water, power or phone outages within the district

Leaders in the Grand Ledge Public Schools Administrative team closely monitor national, state, and local weather forecasts. At all times, the safety of our students and staff is the foundation for this team's conversations and decisions. The district's administrators are routinely out driving the roads beginning as early as 3:00 a.m. to assess road conditions within the Grand Ledge Public Schools' community. It is important to remember, the Grand Ledge School District covers almost 120 square miles, many of these are rural areas.

The Administrative team also maintains regular communication with neighboring districts. Area superintendents remain in close contact beginning with the first prediction of inclement weather, often having conversations the day before and again in the middle of the night when foul weather seems certain. While there is an effort to keep decisions consistent across the region, each district must weigh many factors unique to their district. Therefore, there may be times Grand Ledge Public Schools is closed, while another district remains open. Finally, decisions concerning the cancellation of athletic or other extra-curricular events will be made with input from the appropriate school administrators/directors.

Early Dismissal

Grand Ledge Public Schools will generally not close once school is in session due to supervision concerns. Specifically, the district would not want to endanger a student by transporting a student by bus to his/her home, in the middle of a snowstorm, when there is no guarantee a parent received notification of the early dismissal and/or that the parent or other adult is home to let that child in out of the cold.

However, on an extremely rare occasion, it may be necessary to close a school during the day due to loss of power, loss of water or other non-weather emergency situation. Parents are reminded to provide the school office with up-to-date emergency telephone numbers to ensure our ability to notify them if this should be necessary.

Communication

An automated phone call to all Grand Ledge students and staff is typically the preferred method of communication. However, notification of school closings because of inclement weather will also be posted on the district's website, as well as published on Twitter, and Facebook. Additionally, local TV or radio stations may also post or announce closings/delays.

School closing, school delays, and early release decisions are not easy. Your child's education is important and we want to provide learning opportunities on as many days as possible. Almost always, some people will agree with the decision that is made, and others will not.

Please know these decisions are not made lightly. Rather, the decision to close school, for any reason, is made through a thoughtful and deliberative process. And, most importantly, these decisions are made with concern for the safety of students and staff members.

Make Every Day Count: Boost School Attendance

To stay on track in school, students need to be present every day. Missing 18 or more days of school in a year puts a child's high school graduation at risk, according to BoostUp.org, a national dropout prevention campaign. Being absent for just two days every month of the school year can put a child behind academically.

Students with regular attendance are more likely to read well by third grade and score higher on tests. They also tend to be more engaged in school and feel better about themselves.

Put your child on the path to success with these attendance strategies.

Make school a priority. Every absence (excused or not), can impact a child's academic achievement. Talk to your child about how important their education is. Make daily routines for homework and waking up on time for school.

Maintain communication with teachers and keep an eye on your child's academic progress. If your child seems disconnected from school or is prone to skipping class, try signing him or her up for an after-school activity. A report by the University of Minnesota found that students in an after-school program attended 18 more days of school and missed nine fewer than their peers.

Make a plan. If your schedule or transportation situation makes getting your child to school a challenge, ask for assistance. Make a carpool or transportation plan with other parents or family members, or ask your school principal for community programs or school initiatives that may help.

Report In. Know your school's attendance policies. If an absence or early dismissal is unavoidable, contact your school. If your family's religious observances fall on school days, let teachers know early in the year which days your child will miss.

Carefully weigh sick days. If your child is sick, talk with your health care provider to determine whether they should stay home from school. If the doctor or nurse recommends that your child stay home, find out exactly how long and on what conditions he or she can return to class (for example, after 24 hours of antibiotics).

Before keeping your children home, make sure they aren't faking symptoms. Regularly feigning sickness may be a sign that your child is anxious about facing a challenge at school, such as bullying.

Schedule wisely. Know your school's calendar, and arrange doctor and dentist appointments after school, on weekends, or during holiday breaks, if possible. Resist the urge to schedule vacations when students will miss school. This gives students the impression that school is not a priority.

Help students complete assignments. When your child has to miss school, make arrangements with teachers to pick up a packet of make-up work. Ensure that your child follows through, and be available to explain concepts or monitor their work. If your child's absence will be lengthy (for surgery, for instance), alert teachers as soon as you know and pick up assignments as the days go on.

THIRD GRADE READING LAW

A Parent Guide to Public Act 306

EATON REGIONAL EDUCATION SERVICE AGENCY

1 What Is The Law All About?

- In an effort to boost reading achievement, Michigan lawmakers passed Public Act 306 in October 2016.
- To help more students be proficient by the end of third grade, the law requires extra support for K-3 students who are not reading at grade level.
- The law also states that a child may be retained in third grade if they are one or more grade levels behind in reading at the end of third grade.

2 What Do I Need To Know As Parent?

- Your child's reading progress will be closely monitored beginning in kindergarten.
- If your child is not reading where expected, a plan to improve reading will be created. This means your child's teacher and school will work with your child to find where your child needs support in his/her reading development and create a plan to support him or her. This plan includes:
  - Extra instruction or support in areas of need.
  - Ongoing checks on reading progress
  - A Read-at-Home plan that encourages you and your child to read and write outside of the school day.
  - Your child may be encouraged to participate in summer reading programs.
- The extra supports in your child's reading improvement plan will occur in small groups during the school day. Your child will not miss regular reading instruction.
- Starting in 2019-2020 school year, in order to be promoted from third to forth grade, your child must score less than one year behind on the state reading assessment, or demonstrate a third grade reading level through an alternate test or portfolio of student work.
- If you are notified your child may be retained, you have the right to meet with school officials and to request, within 30 days, an exemption if in the best interest of your child. The district superintendent will make the final decision.

3 What Can I Do To Support My Child?

Read at home with your child daily with books they enjoy, even in the summer. Some ways to do this:

- Read out loud to your child.
- Listen to your child read.
- Echo read (You read a line, then they repeat) .
- Read together at the same time.
- Reread or retell favorite stories.
- Talk to your child about the reading.

As you read:

- Ask your child to share what they remember.
- Ask questions about the reading.
- Talk about your favorite parts, what you've learned, or who is in the book and what they do.
- Talk about the pictures in the book how they connect to the words on the page.

- Talk to and with your kids a lot: Knowing more words helps kids to understand the words they read better.
- Encourage writing: Let children write the sounds they hear, spelling is developmental and a work in progress.
- Be involved in your child's education and support the reading plan if your child has one.
