

*Families are expected to check children daily; staff are expected to check themselves daily. Children and staff must stay home if they are experiencing one or more of the following symptoms* (if symptoms are not related to other known or diagnosed medical conditions):

- Fever or Chills
- Cough
- Shortness of Breath or Difficulty Breathing
- Fatigue
- Muscle or Body Aches
- Headache
- New Loss of Taste or Smell
- Sore Throat
- Congestion or Runny Nose
- Nausea or Vomiting
- Diarrhea

Children & staff should also stay home if they test positive for COVID-19. Thank You! Your help keeping everyone safe is appreciated! This COVID-19 Screener uses guidance from the Centers for Disease Control and Prevention. Version 8.22.2022.
