Notes From Mrs. Dyer

We will officially transition from the RED phase to the YELLOW phase on MARCH 1ST.

In-person instruction during the YELLOW phase includes students who previously selected to return to learn in-person on the M/W or T/Th schedule utilizing enhanced learning labs. We are not able to switch any children from one choice to another (i.e. from virtual to in-person) at this time. Early next week, look for a survey from the district to select your choice for the remainder of our school year.

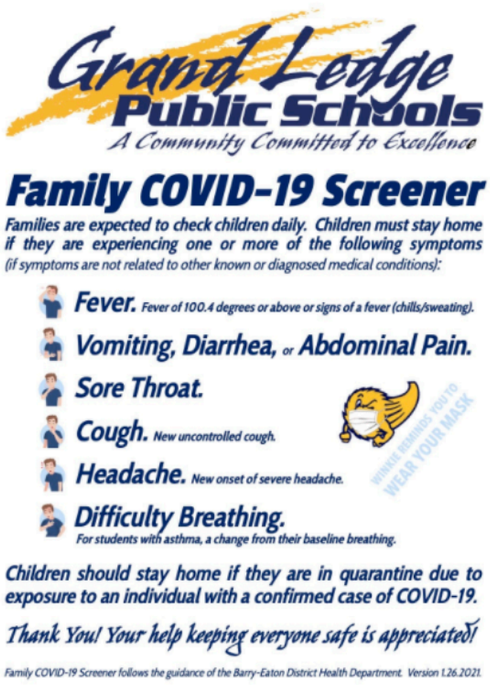
HIGHLIGHTS:

- School hours: 9:00-4:00 with an arrival time of no earlier than 8:50
- Students must bring charged devices and chargers TO AND FROM SCHOOL EVERY DAY.
- Parents/guardians will screen students EVERY DAY prior to entering the building
- Students will bring two masks to school every day.
- Students may bring water to school in a personal water bottle as fountains are not in service
- Students will have assigned seating in classrooms, labs, and lunchroom
- Pick up will be in a drive-through format in NORTH LOT with students cohorted by grades

Safety Measures:

Parents will need to take their child's temperature each morning before sending them to school. If a child has a hint of a fever (or shows other symptoms) PLEASE KEEP THEM HOME. They can easily still attend their schooling virtually from home and it will help minimize the chances of needing to quarantine a larger number of students.

Continued below:



Two Masks:

Students will need to bring two masks to school. Students will only wear one at a time but we will need an inside learning mask and an outside "recess" mask.

Technology:

Students will need to bring their Chromebooks/iPads to and from school every day. Currently, each student is issued a district-provided device that they will need to bring to school to use during the school day. Parents may be called to bring the device if the students do not bring their issued technology.

Arrival:

Entering the building – South, Main, and North Doors – Each door will be labeled our teacher's names (Staff will assist with the arrival process)
Bus: Students will be dropped off and students will walk to their teacher's door
Parent Drop Off: As always, use the North Drop Off Lot – Students will walk to their respective doors.

South Doors: Borgman, Riekse, Salmon, Rushton, Ward, Surace
Main Doors: Simon, Martin, Sommerlot, Carlson, Palacio
North Doors: Kish, Shepard, Kinsora, Haggerty, Cornman
East Doors around back near portable: Caylor, Schuchaskie, Lutz, Boucher, Granger, Slear
Portable: Brown/Diller, Koets

Lunch:

Students will have assigned seating. To safely eat in the lunchroom, a maximum of eight students will have per table. Tables are labeled with M/W and T/Th students to help with contact tracing. School lunch will begin with a cold sack lunch for the first two weeks. At week three, we will offer a sack lunch or a hot lunch option. Or, your child may also choose to bring their own cold lunch.

Snacks:

Your child may bring a healthy snack to school. We will follow strict safety protocols before, during, and after snack time. Your child's teacher will communicate more info regarding snacks.

Continued below:

Recess:

Students will be cohorted by grade level and play in designated zones. All students will have recess throughout the day and will be assigned designated zones of the playground. They will change zones each week. We will separate grade-level equipment in different tubs.

Dismissal:

Parents will pick up students using a drive-through procedure in our NORTH LOT. Students will be grouped by grades near the portable. You will receive a bright-colored, laminated sheet with your child's name on it to display in your window to help create a swift pick up process.

Students riding the bus will continue past practice procedures. Transportation is working on finalizing bus routes and schedules and plans to contact families in the middle of next week to inform you of your child's bus route information.

Personally, I am thrilled with the return of students to our building and excited for March 1st and the days beyond. I am aware it isn't a perfect situation, but know our staff has been working hard to make this transition a success!

As always, thank you for your continued support, if you have any concerns, please do not hesitate to contact me.

Teresa Dyer

Attention Current Virtual Students and ALL 5th grade students:

We will have a pick up night for 5th grade & virtual students this coming Tuesday, February 23 from 3:30 - 5:30

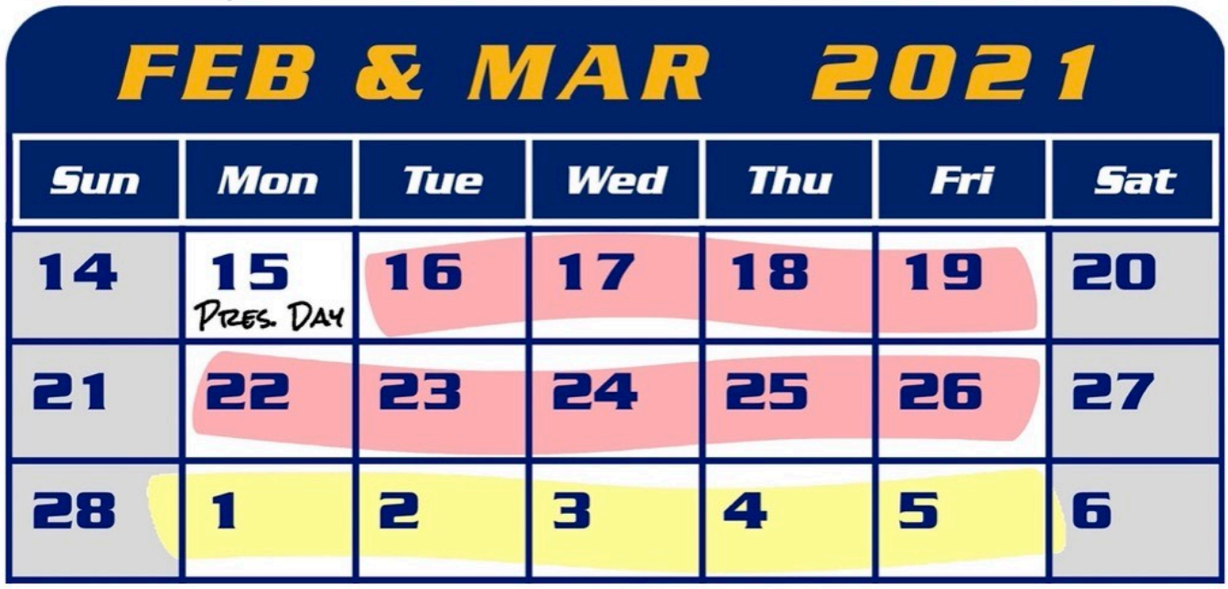
When the chromebook becomes available, you will be contacted by the technology department at Sawdon administration building, where you will go to pick it up.

Wednesday Notice on Safe Return Guide -- Feb. 17, 2021



Announcement of Mode of Instruction for the Week of Mar. 1

Alternate Day, Full Day In-Person Program + Virtual Instruction Program

The alternate day, full day, in-person instructional program (M/W, T/Th) begins for grades 1 through 12 and ½ day in-person instruction (M-Th) begins for kindergarten students. All students will be learning in a virtual format on Friday as determined by teacher and grade level. The online instructional program in place throughout the school year continues. In addition, small group special education programs, Little Comets, Adventure Club, HS CTE and HS & MS athletics per MHSAA guidelines will continue. In all cases, appropriate safety protocols will be in place in all schools, all classrooms, on school grounds and while riding the bus.
