IS THIS YOUR HAT???
We had this hat turned in on one of the buses here at Neff. We can only keep items a few days now. Please let the office know if you are the owner. Thank you!

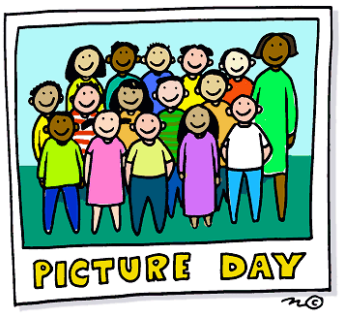
PRINCIPAL'S PRIDE
The weeks are going by quickly! Our in person students are continuing to do very well. They are wearing their masks, following directions and learning. We are so proud of all of our students.

I would like to remind you that school starts and 10:00 a.m. and ends at 3:00 p.m. for our in person students. Staff members will go outside at 9:55 to help students with the arrival process. Teachers and other staff members will walk students outside for dismissal between 3:00 and 3:05 p.m.

For safety reasons, we need parents to be at the main sidewalk at each arrival/ dismissal location before allowing their children out of the cars or into the cars. Please do not let your child out of the car at a grassy area or another area away from the sidewalk. Also, we really would like the traffic to flow in one direction around the school building. We are seeing some actions that are not the safest and we really want to keep everyone safe during our arrival and dismissal process. Please do not make U turns to get back to Jenne Street. Please do not pass other cars in the turn lane along Jenne Street. We have some students riding their bikes over to Beagle and other community members out walking. We want everyone to be safe. We understand that you are having to wait in a line, but the traffic does move quickly once we start the process. Please be patient for everyone's safety. Thank you.

Enjoy the weekend!

PICTURE DAY AT NEFF
We are so excited about Picture Day here at Neff. Our Picture Day will be on Tuesday, May 4, 2021. Geskus Photography will be here that day taking the photos. Each child will have their photo taken even if you are not purchasing any photos.



Geskus Photography has put together a very nice plan for safe protocols for all of our students on picture day and while handling the photo package that will be delivered to us. Their photographers are all screened before they get to our building and will set up in a safe way here at our building.

IN PERSON STUDENTS: The students that are in person for learning will be getting their photo taken with their class while here at school. Please bring your photo packet to school with you for picture day. Families can order online or send the payment in the envelope from Geskus.

VIRTUAL STUDENTS: Our Virtual students can have photos taken on Picture Day. Please use the link below to choose a specific appointment time for the photo. Families can pay for the photos online or bring the provided envelope with them on the day of the appointment.

If you have any questions please call the office at 517-925-5740.

PLEASE RETURN SIGNED SCREENER FORM

Hello Neff Families! This is a message for the In Person Students and their families. Please sign the Covid Screener Form and return it to school with your child. It was sent home this week with your child if we did not already have one on file here at Neff. If you need a new copy please call the office at 517-925-5740 and we will get you another copy. Thank you so much!

MUSIC NEWS FOR IN PERSON STUDENTS

Mr. Austin would like all of the In Person students to bring back their music kits to school. They are making all kinds of music in person now and those kits will make music even better. Thanks so much!

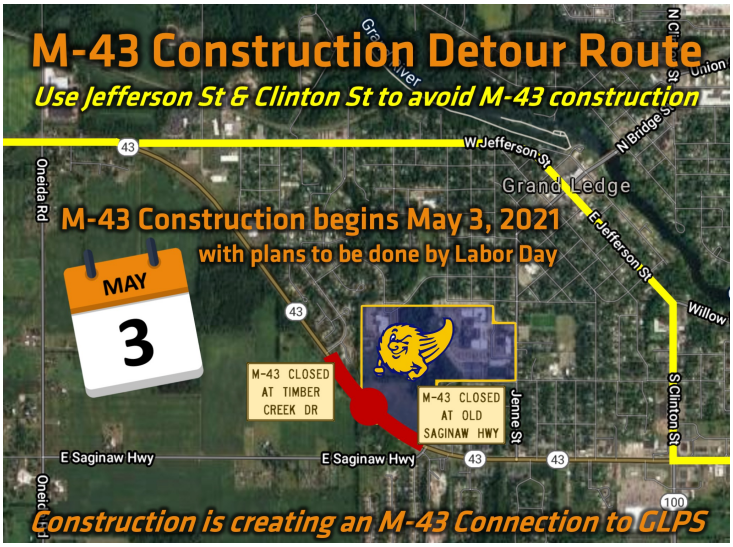
KINDERGARTEN REGISTRATION IS OPEN!

The online registration / pre-enrollment process for the NEXT SCHOOL YEAR (2021-2022) is now open IF the student you are enrolling lives within the boundaries of Grand Ledge Public Schools. So, if you want to send your child to kindergarten next year, visit GLcomets.net/Enroll.

To be eligible to enter kindergarten, your child must be five years old on or before September 1, 2021. However, in accordance with State Law, parents may complete a waiver for any student who will turn five between September 2 and December 1; the waiver is included as part of the online registration / pre-enrollment process.

The State of Michigan also requires your child's eyes to be examined at least once after the age of three and before starting school by a licensed eye care practitioner, a medical/ osteopathic physician, or the Michigan Department of Health and Human Services.

Once you have completed the online registration / pre-enrollment process, please scan or email the student(s) birth certificate with the raised seal, up-to-date immunization records, and proof of residency (your property tax statement if you own your home, or two (2) of the following: 1. lease; 2. utility bill; or 3. checkbook — all of which must have your name and address on them) to D'Anne Golub at golubd@glcomets.net. Upon receipt of all required documentation, you will receive a telephone call to verify the information provided in Registration Gateway during the online registration / pre-enrollment process. If you have any questions, please do not hesitate to call D'Anne at 517.925.5447.



GLPS is getting a connection from M-43 to GLHS & Beagle! Construction on the roundabout begins May 3, and M-43 will be closed. The detour uses Jefferson St & Clinton St. Plans are for M-43 to reopen by Labor Day. Learn more about the roundabout at GLcomets.net/roundabout

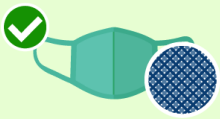
Mask up, Mask right

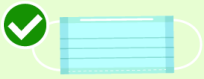
A face mask is defined as a tightly woven cloth or other multi-layer absorbent material that closely covers an individual's mouth and nose. There are other options to make the fit better (such as nose wire, mask fitter or brace). Here are some guidelines to help you choose the most effective face mask.

Recommended

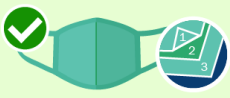
Masks that fit properly (snugly around the nose and chin with no large gaps around the sides of the face)



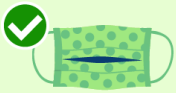
Masks made with tightly woven fabric (i.e., fabrics that do not let light pass through when held up to a light source)



Non-medical disposable masks knotted and tucked properly for a tight fit



Masks with two or three layers
You can also double mask (wear a cloth mask over medical)

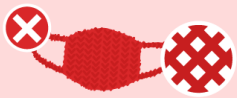


Masks with inner filter pockets

Masks made with breathable fabric (such as cotton)

Not Recommended

Masks that do not fit properly (large gaps, too loose or too tight)



Masks made from loosely woven fabric or that are knitted (i.e., fabrics that let light pass through)

Masks made from materials that are hard to breathe through (such as plastic or leather)

Masks with one layer

Masks with exhalation valves or vents

Wearing a scarf/ski mask as a mask

Need help getting a mask?

Residents can pick up a free mask from partner sites across the state, including most local MDHHS offices and Community Action Agencies. Find a distribution site or call the COVID-19 hotline at 1-888-535-6136.

New Digital Magazines

DTDL cardholders now have access to a collection of over 3,000 digital magazines from ZINIO and OverDrive. The collection includes top titles like US Weekly, National Geographic, Good Housekeeping, Vanity Fair, and Rolling Stone. Magazines are available in a variety of languages including Spanish, Chinese, Japanese, Italian, German, French, and more.

This new magazine collection is available through DTDL's Woodlands Downloadable Library, which can be accessed through the OverDrive website or Libby app. Many are already familiar with this platform's large digital book collection. Now you can access ebooks, audiobooks, and magazines all in one place.

All magazines are available with no waiting or checkout limits.

This new digital magazine collection replaces our RBdigital collection, which will no longer be available after March 31, 2021.

Ready to check out some magazines? Browse the collection at dtdl.org or search for your favorites on the website or in the app.

Join Girl Scouts and the new Becoming Me program!

Inspired by themes from Michelle Obama's *Becoming: Adapted for Young Readers*, this new program will guide girls of all ages to becoming their best selves.

The Becoming Me program is centered around core themes that align with the Girl Scout mission, such as knowing and telling your story, maintaining mental health and wellness, and supporting and nurturing girls on their own journeys.

HOW GIRL SCOUTS BENEFITS GIRLS AND FAMILIES

Girl Scouts builds girls of courage, confidence, and character who make the world a better place. Studies show that Girl Scouts improves girls' confidence and makes them better prepared for life's challenges

That's because Girl Scouts is dedicated to helping girls follow their hearts while they discover new interests, strengths, and abilities. Together with their families, Girl Scouts supports girls' dreams, growth, and success.

WHO CAN PARTICIPATE

Girl Scouts is open to all girls in Kinder through 12th grade from across the United States, Puerto Rico, and even overseas! Adults can also get in on the fun by facilitating the Becoming Me program series.

Girls and adults who join Girl Scouts or renew their membership between April 1-30, 2021 can attend a members-only virtual event on Thursday, May 6 featuring Mrs. Obama, and then launch their Girl Scout journey with the Becoming Me program series.

THE BECOMING ME PROGRAM

- A unique 6-8 week experience for girls that includes three badges for each of the Girl Scout program levels.
- A journal activity to reflect on their personal experiences as they answer the question "Who am I, and who do I want to become?"
- A facilitator guide to help volunteers support Girl Scouts through their experience, as well as free digital downloads, such as customized Becoming journal booklet including an excerpt from *Becoming: Adapted for Young Readers*.
- An exclusive Becoming Me patch available for optional purchase.

Learn more by visiting girlscouts.org/becomingme or reach out to the Girl Scouts Heart of Michigan Help Desk at helpdesk@gshom.org or 800-497-2688.

Camp Invention®

THINK **CREATIVELY.** BUILD CONFIDENCE.

PROVIDING FUN AND SAFE SUMMERS FOR MORE THAN 30 YEARS

At **Camp Invention®**, we have always found the right ways to bring hands-on STEM activities to children across all 50 states (plus D.C. and Puerto Rico!). We believe every child can invent, and we're inviting you to safely and creatively get your camp on when you join us for the best summer ever.

PERSISTENCE
Build and test a device to launch rubber ducks, overcoming challenges to reach landmarks around the world while exploring the fun of physics.

CONFIDENCE
Find your unique voice and amplify your big ideas as you reverse engineer a wireless microphone and put design thinking into action.

CREATIVITY
Stretch your imagination as you design a nature-inspired, morphing vehicle that travels on land, and add prototype elements to adapt it for air and water.

PROBLEM SOLVING
Develop helpful inventions for your very own SolarBot – a cool, robotic cricket inspired by real insects and powered by solar cells.

Camp Invention is a **nationally acclaimed summer STEM program** led by certified local educators and grouped by grade level to create effective, encouraging learning environments.

2021 FEATURED ITEMS:

Each camper gets their own **SolarBot**, **Microphone**, **Road Rally Car** and **Duck Launcher!**

HELPFUL TIPS & INFO ON iPADS, APPS & LINKS FOR NEFF STUDENTS

PRIMARY APPS USED AT NEFF

BUZZ

If you are getting an error message such as “cookies need to be authenticated” when you click on links in Buzz, make sure you have turned off both “Prevent Cross-Site Tracking” and “Block Pop-ups” in Safari. Click here for a “how-to” video.

If you get a “403 Error” message in Buzz click here for video instructions on fixing that error.

IXL

You can now sign in using your students Google Account. Click the green “Sign in” rectangle and from there use blue “Sign in with Google” to use your student’s Google email and password. Click here for video instructions on how to sign in to IXL.

SEESAW CLASS

You should be able to access Seesaw through Buzz. If not, use the Seesaw App and select “I’m a Student” and click the blue box that says “Google/Email Sign In” at the bottom, then choose the white Sign in with Google box at the top. Click here for a “How to log into Seesaw” video.

ZOOM

Teachers will share Zoom links with families, usually through Buzz.

If your **student’s name** is not appearing during their Zoom session, click here for how-to video to permanently change it.
If your camera isn’t working in Zoom, close out of all windows and apps.

ADDITIONAL APPS USED AT NEFF

ABC MOUSE

Teachers will share the student's login and unique 2 picture passcode with you.
Video link on how to login:
https://drive.google.com/file/d/1_J6FYYE-bV2flDZyLI5d_ChHqxoV6O75/view?usp=sharing

ConnectED

This app uses your student’s GL Google Account Email and password.

EPIC

Access using EPIC Class Codes shared by your teacher. Epic is free from 7 am to 4 pm.
Here’s a how-to-use video:
https://drive.google.com/file/d/1Xdgf7JfSnt8HQcpeGVXN4YG-WTyStA36/view?usp=sharing

SEESAW FAMILY

To get into the parent side of Seesaw, families need to download the Seesaw Family App on their personal device and then enter Family Codes shared by your classroom teacher.

STARFALL

Click on Authorize Device in upper left, answer the math?, enter the Login info and click Authorize Device. This information is saved after the first login. Starfall Email: cockroftn@glcomets.net
Password: NE950

LIBRARY APPS & ACCESS

Three apps have been added to a folder called Library on your student’s iPad.

Using their Grand Ledge Area District Library card, students can check out books online through either Hoopla or Overdrive.

Using their GLADL library card number, students can access Bookflix giving students immediate and unlimited access to read books or watch stories published by Scholastic.

iPAD or APP Issues?

Following the “Five Step Fix” resolves most issues on iPads.

Video link to view the Five Step Fix:

https://drive.google.com/file/d/1mKqgoiAAj1QJeHrCu4lz4qkh95ffs3fl/view?usp=sharing

“FIVE STEP FIX” INSTRUCTIONS:

1. Close out of all apps and windows by pressing the home button twice and swipe up on each icon one at a time until all windows are closed and you return to the main screen.
2. In the Apple Apps folder go to Settings, check to make sure that **both** the *Prevent Cross-Site Tracking* and *Block Pop-Ups* settings in the Safari App are turned **OFF** and the slider is gray. You may also want to do Steps 3 & 4 before you leave the Settings App.
3. Clear History and cached Data. While still in the Settings App under Safari, choose the blue words Clear History and Website Data. You will get a prompt that confirms you want to clear data, click the red words to confirm. You will need to re-enter your student’s Google Login info after clearing history and data. This often helps resolve Buzz and Zoom issues.
4. Turning the Wifi Off and On again will also often help resolve some issues. In Settings App click Wi-Fi and to the right side at top, click on slider to turn WiFi Off and then slide it back On again. Wait until the iPad has reconnected to your WiFi before exiting Settings.
5. After doing the above 4 steps, Power the iPad Off and then power it back On again.
   (The Power button is on top right, hold until you get the option at the top to “Slide to Power Off.” After a minute or so press the and hold the power button to start the device again.

Battery Problems?

To preserve battery life go to Settings go to General and to the right click on Background App Refresh and turn it off (gray button). **Video link to turn off Background App Refresh**
