## Hayes Intermediate News

April 28, 2023

### FRIDAY FOCUS FROM THE PRINCIPALS

We want to wish the best of luck to Lilly Junak and Charlie Fredericks from team Slapbot as they travel to the Vex Robotics World Championships in Dallas, Texas!

Congratulations to our students who shared their talents with us at our first Hayes 6th Grade Talent Show on Wednesday evening. Everyone gave an amazing performance and provided a fun evening of entertainment. Thank you to the committee who helped to plan and organize the event, especially our student coordinators: Jessica Lloyd Prasana, Olive Paquette, and Jadyn Ross-El-Hussieny.

Thank you to Mr. Weaver and his science students for helping to release the 12 salmon, from our Salmon in the Classroom project, into the Red Cedar River on Wednesday. This was a great experience for everyone involved.

This week we recognized our amazing secretarial staff: Michelle LeBlanc, Teresa Miller, Lisa Nelson and Lindsay Pelette who work in the main office and Nola Cockroft who is our librarian. Their dedication, patience, calmness, and love for children are characteristics that they exemplify each and every day. We are thankful for all that they do for our Hayes Intermediate family!

This is just a reminder that when you are picking up your child from school, we ask that you stay in the line and in your car. This is for the safety of all students. Students will either be waiting at the crosswalk or at the north end of the parking lot. Thank you for helping us.

April is World Autism Month. Autism, or autism spectrum disorder (ASD), is a difference in the way someone's brain develops. People with autism may have trouble understanding the world around them. There is no one type of autism, but many! Because autism is a spectrum disorder, each person with autism has a distinct set of strengths and challenges. The ways in which people with autism learn, think and problem-solve can range from highly skilled to severely challenged. Some people with ASD may require significant support in their daily lives, while others may need less support and, in some cases, live entirely independently ([autismspeaks.org](https://autismspeaks.org)).

Enjoy our [nineteenth episode](#) of Hayes Happenings School News!

Have a wonderful weekend!

**BAND ENROLLMENT FOR NEXT YEAR'S 6TH GRADE**

Did your student get fitted for an instrument? Make sure you have filled out the link ([tinyurl.com/mr45wppp](https://tinyurl.com/mr45wppp)) from the packet that went home with them last Tuesday to enroll them in band or to decline their invitation! Questions can be emailed to Laura Hemker at [hemkerl@glcomets.net](mailto:hemkerl@glcomets.net).

**WANT TO VOLUNTEER?**

Persons wishing to volunteer for Grand Ledge Public Schools are required to complete the Volunteer Registration Form and be approved prior to serving as a volunteer.

All volunteers **MUST** check in at the office with their Driver's License to receive a BADGE prior to proceeding to any other area on school property.

Please click on the link below to be directed to the online form.

[Volunteer Form Link](#)

**6th GRADE STUDENT INFORMATION FOR NEXT YEAR**

It is hard to believe that your student is almost ready for 7th grade and will be starting at a new school in the fall! The Michigan Public Health Code requires immunizations for all 7th grade students to be reviewed. We wanted to remind families that they should check in before summer ends with their family physician or the Eaton County Health Department to see if your child is up to date on immunizations. State and Local Health Departments requires GLPS to report immunization information for Kindergarteners, 7th-graders and student's transferring from other districts. If you do not wish GLPS to report this, completed the form at <https://GLcomets.net/DenyDisclosureToHealthDepartments> and give it to your school office before October 6, 2023.

Thank you! Eaton County Health Department 517-541-2630

**SHELDON AND A NEW TRAINING FACILITY**

Our Facility dog, Sheldon is asking for our help. Canines for Change is the nonprofit organization that trained Sheldon and the other dogs that are in the Grand Ledge Schools.

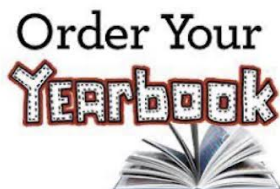

Canines for Change is trying to raise money to make this very necessary building a reality. In addition to training, they will have classroom meeting space, birthing rooms, puppy kennels and kennel suite for the dogs in training.

Please consider donating to our Sheldon's page! Thank you so much!

[Sheldon's Gate Donation Link](#)

Thank you Sheldon for posing with the awesome Hayes Secretaries this week!

**YEARBOOK INFORMATION**

The yearbooks for Hayes will be delivered later this spring. We will have a yearbook signing party day during the last week of school.

Most of the photograph packages come with a yearbook. If you did not order a yearbook for your child in their package you can still order a yearbook online at [geskusphoto.com/yearbookorders](https://geskusphoto.com/yearbookorders)

**COMET ACTION FOR SUCCESS FOR APRIL - ENCOURAGING**

Congratulations to our Hayes Student who exemplify the attribute of being encouraging! We are celebrating the following students: Madeline Flynn, Mallory Kanazeh, Evan Robach, Noah Sible, Lillian Evans, Logan Ford, Josie Dowker, Owen Devenbaugh, Meeviya Sathyaprakash Vanmathy, Timar Iiams, Brynn Efting, Easton Davis, Mia Torres, Annabelle Aldrich, Stella Currey, Kara VanZwoll, Anish Zinzuvadia, Sophia Rowe, Logan Palasek, Kip Moore, Ev McCormick, Brooklynn Gross, Matt Craig, Savannah Riber, Taylor Nunham, Taydem Simpson-Shooltz, Ava Upper, Ashlyn Kigar and Marissa Mans.
