FRIDAY FOCUS FROM THE PRINCIPALS

Thank you to our Hayes & Beagle PTO for treating the teachers and staff to an amazing Teacher Appreciation Week. You certainly made everyone feel appreciated and special.

We would also like to thank the parents who contributed a gift card to show appreciation to the staff. Everyone enjoyed this token of appreciation as well.

Our students will be finishing the standardized testing this upcoming week. We are so proud of their efforts and hard work!

On Wednesday, May 17 our sixth grade students will be going on a field trip! The Lugnuts are teaming up with Impression 5 Science Center to bring fun, educational science activities to Jackson Field during the Grand Slam School Days. Please be sure to talk with your child about being respectful and representing Grand Ledge in a positive manner.

The field trip were sent home this week for the 5th grade trip to the Lugnuts Grand Slam School Days. Please send your slips and money for the game back as soon as possible.

Enjoy our [twenty-first episode](#) of Hayes Happenings School News!

Enjoy the weekend!

### BRING CLOTHES, MUD ALERT, LOST & FOUND

We are asking that all students bring an extra set of clothes to keep in their lockers in case they have need to change their clothes. We have lots of mud on the playground, chocolate milk spills and all kinds of other reasons that your child might need a change of clothes during the day.

We did have some extra clothes as emergency back up in our cupboards but those are almost all gone!

Please stop by and check out our Lost & Found table. There are so many jackets and other items that our students have left behind.

Thank you so much!

### 7TH GRADE NEXT FALL - PLEASE READ!

It is hard to believe that your student is almost ready for 7th grade and will be starting at a new school in the fall! The Michigan Public Health Code requires immunizations for all 7th grade students to be reviewed. We wanted to remind families that they should check in before summer ends with their family physician or the Eaton County Health Department to see if your child is up to date on immunizations. State and Local Health Departments requires GLPS to report immunization information for kindergarteners, 7th-graders and student's transferring from other districts. If you do not wish GLPS to report this, completed the form at <https://GLcomets.net/DenyDisclosureToHealthDepartments> and give it to your school office before October 6, 2023.

Thank you! Eaton County Health Department 517-541-2630
