FRIDAY FOCUS FROM THE PRINCIPALS

It was a hot day for our fifth grade students to attend the Lugnut's baseball game on Wednesday. Unfortunately, the organizers were not prepared for such a large crowd and the heat. Due to this, we are receiving a refund for our fifth grade students. We will carry this money over to next year and apply it toward another field trip for this group of students. We are proud of the students for still having fun and making the best of the time.

This week we had a special performance by the Grand Ledge High School Madrigals. They came and performed their Zoo Tour for both our 5th and 6th grade classes. The students really enjoyed their singing!

Next week our sixth grade students will have the opportunity to visit Beagle Middle School. The students will be able to see the school and learn more about the daily routine at Beagle. The schedule for these visits is as follows:

Monday, June 5 - Brunk, Palacios, Burns, Lilje

Wednesday, June 7 - Pung, Sweet, Weaver, Knauff, Ward

Thursday, June 8 - Carlson, Bierstetel, Coblenz, Lee, Pierson, Householder

Buses depart from Hayes: 9:15 am

Presentation time: 9:30 - 10:30 am

Buses depart from Beagle: 10:35 - 10:40 am

Buses arrive at Hayes: 10:45 - 10:50 am

Next week we will also have the current fourth grade students visiting Hayes Intermediate, so they can begin to get comfortable with a new school, too!

If your child will not be returning to Grand Ledge Public Schools for the 2023-24 school year, please email Teresa Miller at millert@glcomets.net with your child's name and why they will not be returning. This information is important for us to know for planning purposes.

Due to technical difficulties, we do not have a new edition of our Hayes Happenings School News this week!

Enjoy the weekend!

7TH GRADE NEXT FALL - PLEASE READ!

It is hard to believe that your student is almost ready for 7th grade and will be starting at a new school in the fall! The Michigan Public Health Code requires immunizations for all 7th grade students to be reviewed. We wanted to remind families that they should check in before summer ends with their family physician or the Eaton County Health Department to see if your child is up to date on immunizations. State and Local Health

YEARBOOK SIGNING

Hello Hayes Families! We will be having our annual yearbook signing party during the last week of school. Most of our Geskus Photograph packages come with a yearbook. If you still need to order a yearbook please use the link below to order a yearbook. We sent an email out to all of the families that did not have a yearbook on our list to remind them. Thank you!

Departments requires GLPS to report immunization information for kindergarteners, 7th-graders and student's transferring from other districts. If you do not wish GLPS to report this, completed the form at <https://GLcomets.net/DenyDisclosureToHealthDepartments> and give it to your school office before October 6, 2023.

Thank you! Eaton County Health Department 517-541-2630

Helping Medicaid members keep their coverage

Take action to avoid gap in coverage.

At the beginning of the COVID-19 pandemic, the federal government declared a Public Health Emergency (PHE), allowing Medicaid members to keep their health care coverage. Per recent federal legislation, eligibility renewals will start again in June. Monthly renewal notifications will be sent by mail beginning in May.

Get ready to renew now.

Following these steps will help determine if you still qualify:

- Make sure your contact information is up to date.
- Check mail or text messages for a letter.
- Complete your renewal form (if you get one).

If you're a Medicaid member, learn more about how these changes may affect your health care coverage: Michigan.gov/2023benefitchanges.

HOW TO STAY COVERED IF YOU ARE NO LONGER ELIGIBLE FOR MEDICAID

Nationwide, Medicaid beneficiaries will have to renew their coverage starting this year to comply with federal legislation. In Michigan, annual renewals will begin again in June 2023.

If you receive notice that you or a family member are no longer eligible for Medicaid or MICHild benefits, don't worry, you have other options including options for low or no-cost coverage:

- **Purchasing a plan on the Health Insurance Marketplace.** Thanks to savings recently put in place by the federal government, many Michiganders are eligible to buy a Marketplace plan for less than \$10 per month. Free local enrollment help is available in-person, over the phone, or by email to help you choose the plan that meets your needs and budget.

Losing Medicaid coverage is a qualifying life event, allowing you to enroll in a Marketplace plan outside of the normal open enrollment period. You can enroll as early as 60 days before you expect to lose coverage. People who are signing up for a Marketplace plan because they lost Medicaid coverage have up to 60 days to select a plan after submitting a Marketplace application – but signing up right away reduces the risks that come from a lapse in coverage.

To shop and compare available health plans, visit HealthCare.gov or call 1-800-318-2596 (TTY: 1-855-689-4325). For free local help, visit LocalHelp.HealthCare.gov.

- **Enrolling in employer-sponsored health coverage through your job.** Many employers offer health insurance to their employees, and those plans often offer a special enrollment period, generally at least 30 days, for employees who experience a qualifying life event, such as losing Medicaid coverage. Contact your employer's benefit office or human resources department to ask about enrolling in your employer's health plan.
- **Enrolling in Medicare.** Eligible seniors who lose their Medicaid coverage can enroll in Medicare Parts A and B up to six months after their Medicaid coverage ends. For Medicare Advantage Plans (also known as Part C), newly enrolled Medicare beneficiaries can sign up for a plan within three months after the start date of their Medicare coverage.

Michiganders who turned 65 during the COVID-19 Public Health Emergency and missed their initial enrollment window may also sign up for a Medicare Supplement plan, thanks to a recent order from the Michigan Department of Insurance and Financial Services.

To enroll in Medicare or shop for a Medicare Advantage or Medicare Supplement plan, visit Medicare.gov or call 800-772-1213 (TTY: 800-325-0778). Michigan Medicare Assistance Program counselors also are available to provide free help with Medicare enrollment. For more information visit MMAPInc.org or call 1-800-803-7174 to speak with a counselor.

Having health insurance is important, not just for when you are sick or hurt, but also to help you stay healthy and avoid big medical bills. It is important that you take action to get the coverage you need to protect yourself and your family.

For questions about purchasing a health plan on HealthCare.gov, visit Michigan.gov/HealthInsurance, or call the Michigan Dept. of Insurance and Financial Services at 877-999-6442, Monday through Friday from 8 a.m. to 5 p.m.

More information about changes to food assistance and Medicaid benefits connected to the COVID-19 Public Health Emergency can be found at Michigan.gov/2023BenefitChanges.
