Help Sandee and Canines 4 Change!

Our facility dog, Sandee, has been a huge asset to our building for the last couple of years. He was trained by a local organization called Canines 4 Change. C4C trains facility, service, and support dogs for schools, individuals with disabilities, and those who need emotional support like Vets and Autistic individuals. We would like the change to help support C4C as they begin building their very first training facility! If we raise enough money, Sandee will get to have a kennel in the facility named after him. Thank you so much for supporting great organizations in our community!

Kindergarten Registration: Enroll Now to Sign Up for Your Parent Meeting & Kindergarten Launch

Get your future kindergartner enrolled now! The online registration and pre-enrollment process for the NEXT SCHOOL YEAR (2023-2024) is now open IF the student you are enrolling lives within the boundaries of Grand Ledge Public Schools. Please enroll your child in kindergarten by starting the process at GLcomets.net/Enroll. Enroll now so that you can sign up for a Parent Meeting on May 16 or May 24. Enroll now to sign up for Kindergarten Launch on Aug. 15 & 16.

To be eligible to enter kindergarten in the 2023-2024 school year, your child must be five years old on or before September 1, 2023. However, in accordance with State Law, parents may complete a waiver for any student who will turn five between September 2 and December 1; the waiver is included as part of the online pre-enrollment process.

The State of Michigan also requires your child's eyes to be examined at least once after the age of three and before starting school by a licensed eye care practitioner, a medical/osteopathic physician, or the Michigan Department of Health and Human Services.

Upon completion of the pre-enrollment in Registration Gateway, the enrollment documents (see below) must be submitted to the registrar at your home school via:

- Appointment made with the your student's home school
- Mobile Capture (upload from cell phone)
- Direct upload (from a saved file on your device)
- Fax
- Email (not recommended for security purposes)

All of the following enrollment documents are required before information that has been submitted during the online pre-enrollment process can be verified:

- Student's birth certificate with the raised seal
- Student's up-to-date immunization records
- Verification of residency any two of the following:

- Property Tax Statement
- Lease/Rental Agreement
- Utility Bill
- Mortgage/Home Closing Documents
- Cable/Internet Bill
- Home/Renter's Insurance

• Note: Driver's licenses and voter registration cards are NOT acceptable for this purpose.

When all required documentation has been received, you will receive a telephone call to verify the information provided in Registration Gateway and finalize the student enrollment. If you have any questions or require language/translation assistance, please contact your home school (listed below) or D'Anne Golub at (517) 925-5447.
